MATERIALS CHECKLIST

- 1 – 5 ¼" x 6 ¾" Frame – This project used a frame found in a thrift store
- 1 package of Diamond Tech™ Classico Mini Tiles
- Weldbond® Adhesive

BASIC SUPPLIES

- Newspaper or kraft paper

INSTRUCTIONS

1. Cover the work area with newspaper or kraft paper.
2. Sort desired colors into piles, if using 5 colors, you will need about 36-40 pieces of each color. This projects uses light and dark green, red, beige and white.
3. Starting at the upper edge of the frame, lay out tiles with no space in between. Place four of the same color in a row repeat with additional colors around the border of the frame, continue this pattern on the middle and inside edge.
4. When you are satisfied with your design, glue down each tile starting with the inside edge and working out.
5. Allow mosaic to dry overnight.
6. Place your favorite holiday photo in the frame.
